■ Talal Abu-Ghazaleh International University Holds More than 467 Proctored Exams in June 2018

AMMAN - Talal Abu-Ghazaleh International University (TAGI-UNI) announced that TAGIMETRIC, its proctored testing center, held more than 467 exams in June 2018 for the EU funded project; Language and Academic Skills and E-Learning Resources (LASER).

Accordingly, TAGI-UNI and its partner Amity University held the exams for Syrian and Jordanian students in Amman and Irbid, through TAGIMETRIC center.

TAGIMETRIC, equipped with web-accessed monitoring services and student authentication facilities using the latest biometric technology,

is staffed by highly trained professionals with a wealth of experience in providing first-class services to private businesses, educational institutions and corporations.

These services are designed to address the demand for entry and exit tests, skill level exams and much more, for a range of well-known online and traditional examination providers.

TAGIMETRIC is an accredited examination center for international associations including the British Council, Pearson VUE, Edexcel and other international online universities and training providers.

■ Canisius College Awards 'Talal Abu-Ghazaleh Award for Excellence' in Accounting Programs

BUFFALO, NEW YORK - The Talal Abu-Ghazaleh International Award for Excellence in the Graduate Accounting Programs at Canisius College was presented during the Annual Accounting Banquet that was held recently. This year's recipient is Ms. Brandi Burgard who will graduate from the MBA Program in Accounting at Canisius College in Buffalo, New York.

This prestigious award is given to a graduating student who has not only excelled in the rigorous academic program of Canisius College but who has demonstrated the potential for contribution to the accounting profession. The award was presented on behalf of HE Dr. Talal Abu-Ghazaleh by Dr. Edward J. Gress, the Director of the Talal Abu-Ghazaleh Center for Business Research at Canisius College.

In receiving the award, Burgard expressed her gratitude to HE Dr. Talal Abu-Ghazaleh for supporting the study of accounting internationally.

She also expressed her admiration for Dr. Talal Abu-Ghazaleh and his accomplishments in building the Talal Abu-Ghazaleh Organization in a critical part of the world. Burgard also stated that Dr. Talal Abu-Ghazaleh should be an example for all accountants to follow.

In presenting the award, Dr. Gress thanked Dr. Abu-Ghazaleh for recognizing and supporting the accounting program at Canisius College.

The Talal Abu-Ghazaleh International Award for Excellence in the Graduate Accounting Programs at Canisius College was established in 1989 and has been awarded annually to a graduate from the MBA Program in Professional Accounting or from the 150 Hours MBA Program in Accounting. Outstanding graduating students who meet certain criteria are invited to apply for this prestigious award and the winner is selected by a committee from the Canisius College Council

■ TAGI-UNI Students' Corner

My name is Dunia Basaleh and I am one of Talal Abu-Ghazaleh University (TAGIUNI) students. I study English literature because it sets international students up for all sorts of jobs upon their graduation.

I work as Coordinator with the Jordanian Hashemite Fund for Human Development (JOHUD).

I chose TAGIUNI because it is one of the globally recognized and accredited institutions in all its degrees and certificates.

My work is my passion and I dedicate a lot of my time to my family, but on the weekends, I like to get out and enjoy nature as it's a good way to refresh and reset for another week. I like listening to music, I go to a fitness gym to stay in shape, I like searching and learning through various sources on the Internet.

■ Start Your MBA Based on MOOC Today!

DU is based on the belief that education is a human right and not a privilege for the few who can afford to stay out of their workplace and physically attend local professional programs.

For this purpose, TAG-DU invites you to explore the nine disciplines in which diplomas are granted and select the discipline of your choice. In this issue, we are going to introduce “TAG-DU Diploma in Management”.

This program gives you the opportunity to gain extensive knowledge and understanding of the principles and practices behind key business management subjects.

The suggested sequence consists of seven courses; the candidate needs to complete five courses and provide certificates of completion for each course taken.

We introduce to you seven Massive Open Online Courses, offered by international institutes, and you are only required to complete five out of the seven courses listed for this specialization in order to receive the diploma.

The suggested sequence of courses:

Course 1: “Managing the Organization: From Organizational Design to Execution”, offered by University of Illinois at Urbana-Champaign, through the platform of Coursera.

Course 2: “States and Markets in the Global Economy”, offered by Thunderbird School of Global Management, through the platform of edX

Course 3: “International Leadership and Organizational Behavior”, offered by Università Bocconi, through the platform of Coursera.

Course 4: “Foundations of strategic business analytics”, offered by ESSEC Business School, through the platform of Coursera.

Course 5: “The Manager's Toolkit: A Practical Guide to Managing People at Work”, offered by University of London, Birkbeck, through the platform of Coursera.

Course 6: “International Project Management offered by Rochester Institute of Technology, through the platform of edX.

Course 7: “ Strategic Management” offered by Indian Institute of Management, Bangalore, through the platform of edX.
